

community partner guidelines

YWCA Clark County values community partnerships. As advocates of our mission, Community Partners raise awareness, raise funds, collect much needed supplies and help us recruit volunteers for our life-saving programs. We could not do this important work without the help of Community Partners.

In order to ensure that our mission is upheld and resources are utilized in a cost-effective manner, we have established the following guidelines for Community Partnerships. If you would like to join us in our mission to empower women and eliminate racism, please contact us.

Shared Values: A strong partnership begins with shared values. We welcome the opportunity to join forces to promote these key values: Commitment, Respect, Diversity, Integrity, Empowerment, and Teamwork.

Shared Resources: We have limited staff availability and rely on volunteers to help us achieve our mission. With critical services needing volunteer time, we are unable to provide all Community Partner events with volunteers or staff. If your event requires volunteers from YWCA Clark County, please contact us to determine whether this is a good fit for our available resources.

Shared Marketing: We love to celebrate and promote our Community Partnerships. We also request that your support of YWCA Clark County is promoted through your corporate or social network communications. We also request that you use logos and copy approved by YWCA Clark County. You can find marketing resources at www.ywcaclarkcounty.org.

Shared Need: There are many wonderful ways to support YWCA Clark County through cash, food and personal care item drives. However, we may have those needs met at any given time and we do not want to turn away your generosity. Please call ahead to ensure we have a current need for your drive.

Shared Purpose: If you have an idea for partnering or giving back to the community, we would love to talk with you and discuss the details to determine if this is a mutually beneficial opportunity for our organizations.

Thank you for considering YWCA Clark County as a Community Partner. Contact Kate Sacamano at ksacamano@ywcaclarkcounty.org or 360-906-9123 to discuss how we can partner for social change.
