## TRACI COLE

Traci's story of healing and community engagement offers an important perspective on hope and empowerment that you won't want to miss.

Traci Cole is your neighbor in Clark County. She was raised in the Pacific Northwest, and has lived in Vancouver for a number of years.

Like many in our community, she was once a silent survivor of sexual assault. Traci has since found her voice, and will share her story at our luncheon on September 13th.

We hope you can join us this September as we welcome her to the stage.
