

This joyous day couldn't happen without community members, organizations, and businesses who donate gifts to the holiday shop year after year. When you are out doing your holiday shopping, think of those served by YWCA. Purchase some new gifts for a family escaping violence, or a youth caught up in the foster care system. To help spread joy through gift giving this holiday, please deliver your in-kind donations to YWCA, 3609 Main Street by **Monday, December 17th.**

VISA gift cards

Target gift cards

*Gift cards are a great way to encourage young adults to begin thinking about the value of money and how to budget out expenses. In today's fast paced world teens change their interests quickly and what they may have wanted last week could be different during the next. So, gift cards allow young adults the option of getting something else then what they may have originally asked for.
