Audited Financial Statements
and Reports Required by
Government Auditing Standards
and the Uniform Guidance

For the Year Ended June 30, 2022

McDONALD JACOBS

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
YWCA Clark County

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of YWCA Clark County (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of YWCA Clark County as of June 30, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of YWCA Clark County and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about YWCA Clark County's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of YWCA Clark County's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about YWCA Clark County's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited YWCA Clark County's 2021 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated January 19, 2022. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2021, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated January 18, 2023 on our consideration of the YWCA Clark County's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the YWCA Clark County's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the YWCA Clark County's internal control over financial reporting and compliance.

YWCA CLARK COUNTY
NOTES TO FINANCIAL STATEMENTS
June 30, 2022

1. DESCRIPTION OF ORGANIZATION

YWCA Clark County (YWCA or the Organization) is a non-profit corporation affiliated with the national YWCA organization, YWCA USA. YWCA Clark County's mission is to eliminate racism, empower women, and promote peace, justice, freedom and dignity for all.

YWCA Clark County is governed by a volunteer board of directors. Daily operations are managed by a full-time executive director who reports directly to the board. The service area is generally defined as Southwest Washington and is primarily funded through government contracts and private contributions.

YWCA Clark County currently offers services under the following programs:

SafeChoice

The SafeChoice Domestic Violence Program served 1,056 unduplicated survivors of domestic violence and responded to 6,584 calls to our 24-hour crisis line in this fiscal year. Our emergency shelter provided up to 3,764 bed nights for 37 adults and 52 children. We held 70 support groups for survivors and served 121 participants through our legal clinic.

Included in SafeChoice is Care Connect, a program that began February 5, 2021. This program assists, connects and supports participants for the purposes of providing health and social services to individuals who are in isolation and quarantining from COVID-19. Care Connect has been able to offer information regarding their rights, health resources and long-term assistance for their needs. Advocates have served 450 households as well as provide financial assistance to 256 households who received rental, mortgage or utility assistance, 530 who received food assistance and 276 who received COVID care kits.

Count Appointed Special Advocates (CASA)

During fiscal year 2022, CASAs provided advocacy through their independent recommendations to the court for 556 children. We did this with the help of 147 volunteers. Our staff and volunteers spent 104 days in court advocating for neglected, abused, or abandoned children. See Note 16 about the discontinuance of this program.

Sexual Assault

This fiscal year, the Sexual Assault Program served 520 individuals through 24-hour advocacy, individual therapy, and support groups and responded to 1,416 calls to our 24-hour crisis line. We served an additional 127 individuals through presentations, trainings, events, and community education. We also provided sexual assault prevention education to 131 youth and adults.

1. DESCRIPTION OF ORGANIZATION, Continued

Y's Care

The Y's Care Children's Program provided 1,623 service days (one service day equals care and education for one child each day) of licensed care and quality early childhood education for 22 transitional and community children (ages 2½ to 5) this fiscal year. Y's Care provided additional enrichment through seasonal field trips to the TreeSong Nature Reserve and through specialized therapy with a licensed sensory-processing disorder specialist. Every child enrolled in Y's Care last year made measurable, developmental progress in academic and social domains.

Independent Living Skills Program (ILS)

During the YWCA's 2022 fiscal year, the ILS Program served 118 youth ages 15 to 21 who are currently in foster care and preparing for independent adulthood. ILS empowers foster youth to reach their housing, education, and employment goals so they can gain independence. Advocates also provided financial assistance to 50 new youths to obtain housing, 42 new youths received employment assistance, and 15 new youths to pursued goals to further their education.

Volunteer Development

This program recruits, trains, and supports qualified volunteers engaged in meaningful, ongoing service opportunities. In 2022, 42 volunteers contributed 1,490 hours of continuous support to our programs and departments through our Volunteer Development Program. With COVID still ongoing during this time, the amount of volunteers and hours decreased dramatically.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Net Assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

- *Net Assets Without Donor Restrictions* - Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.
- *Net Assets With Donor Restrictions* - Net assets subject to donor- (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all highly liquid investments available for current use with maturities of three months or less at the time of purchase to be cash equivalents.

Contracts and Pledges Receivable

Contracts and pledges receivable are reported at the amount management expects to collect on balances outstanding at year-end. Based on an assessment of the credit history with those having outstanding balances and current relationships with them, management has concluded that realization losses on balances outstanding at year-end will be immaterial.

Investments

Investments are carried at fair value. Investment income earned on endowment investments is reported as an increase in net assets with donor restrictions until appropriated for expenditure. Investment income earned on other donor restricted investments is reported as an increase in net assets without donor restrictions unless restricted by the donor in which case it is classified according to the nature of the restriction.

Property and Equipment

Additions to property and equipment of \$5,000 or more are capitalized. Property and equipment are carried at cost, or at fair value when acquired by gift.

Depreciation

Depreciation and amortization are provided on a straight-line method over the estimated useful lives of the assets which range from 5 to 40 years.

Revenue Recognition

Revenues from various sources are recognized as follows:

Government Revenue: Government contracts are conditioned upon certain performance requirements and/or incurring allowable qualifying expenses. Amounts received are recognized as revenue when the Organization has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as deferred revenue in the statement of financial position. The Organization has been awarded cost-reimbursable grants of approximately \$925,000 extending through September 2023 that have not been recognized at June 30, 2022 because qualifying expenditures have not yet been incurred. The Organization has received approximately \$77,300 and \$31,300, respectively, in advances on these contracts and reported as deferred revenue at June 30, 2022 and 2021, .

Revenue Recognition, Continued

Government Pandemic Relief:

Paycheck Protection Program (PPP) Loan: The Paycheck Protection Program (PPP) loan guaranteed by the Small Business Administration (SBA) is accounted for as a conditional advance and accrues interest at 1%. The advance may be forgiven partially or in its entirety if certain conditions are met, including incurrence of allowable qualifying expenses (mostly personnel and occupancy costs) and acceptance and approval of the forgiveness application by the lender. Upon satisfaction of the conditions, the advance will be recognized as revenue. The Organization received a PPP loan of \$646,400 during the year end June 30, 2020 and partially satisfied the conditions during 2021 and \$553,195 was recognized as government pandemic relief. The unforgiven amount was converted to a note payable (see Note 7). The Organization received a second PPP loan of \$581,629 during the year end June 30, 2021. The total amount was forgiven and recognized as government pandemic relief during the year ended June 30, 2022.

Employee Retention Credit: The Employee Retention Credit (ERC), a credit against certain payroll taxes allowed to an eligible employer for qualifying wages, was established by the Coronavirus Aid, Relief, and Economic Security (CARES) Act and further amended by the Consolidated Appropriations Act (CAA) and the American Rescue Plan (ARP). The Organization recognizes revenue when the claim is filed, based on incurring qualified expenses, in the form of eligible wages. Approximately \$950,000 was recognized for the year ended June 30, 2022, is reflected government pandemic relief in the statement of activities, and is included in contracts and pledges receivable at June 30, 2022.

Contributions and Grants: Contributions and grants, which include unconditional promises to give (pledges), are recognized as revenues in the period the Organization is notified of the commitment. Conditional promises to give are not recognized until they become unconditional, that is when the conditions on which they depend are substantially met. Bequests are recorded as revenue at the time the Organization has an established right to the bequest and the proceeds are measurable.

Special Event Revenue: The Organization records special events revenue equal to the fair value of direct benefits to donors, and contribution income for the excess received when the event takes place. Sponsorships are recorded as revenue at the time of the commitment unless commensurate value is included as part of the agreements. The portion of the sponsorship revenue that relates to commensurate value of the sponsor received in return is recognized when the related events are held and performance obligations are met.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Continued

Donated Facilities, Materials and Services: Donations of facilities, materials and services are recorded as support at their estimated fair value at the date of donation. Such donations are reported as support without donor restrictions unless the donor has restricted the donation to a specific purpose.

The Organization recognizes donated services that create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation.

Program Service Revenue: Program service fees and rental income are recognized when services are provided. There was no associated accounts receivable (contract asset) or deferred revenue (contract liability) at June 30, 2022, 2021, and 2020.

Advertising

Advertising costs are expensed as incurred. Total advertising expense for the year ended June 30, 2022 approximated \$14,000 (including donated advertising of \$100) and \$44,500 (including donated advertising of \$19,400) for the year ended June 30, 2021.

Unemployment Insurance

The Organization is self-insured for unemployment and makes periodic payments to a trust company in an amount equal to estimated future claims. Deposits to the trust are recorded as an asset and claims filed but not yet paid are recorded as a liability.

Functional Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the statement of activities and in the statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited. The allocation methodology and associated expenses that are allocated include:

- Time and effort – personnel expenses
- Number of employees – Reception services and professional services
- Number of volunteers – Volunteer development
- Direct expenses – Administrative expenses, insurance, audit fees

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Continued

Income Taxes

The Organization is a nonprofit corporation exempt from income tax under section 501(c)(3) of the Internal Revenue Code and applicable state law. No provision for income taxes is made in the accompanying financial statements, as the Organization has no activities subject to unrelated business income tax. The Organization is not a private foundation.

The Organization follows the provisions of FASB ASC Topic 740 *Accounting for Uncertainty in Income Taxes*. Management has evaluated the Organization's tax positions and concluded that there are no uncertain tax positions that require adjustment to the financial statements to comply with provisions of this Topic.

Change in Accounting Standard

The Organization has implemented FASB ASU 2020-007, *Presentation and Disclosures by Non-Profit Entities for Contributed Nonfinancial Assets* for the year ended June 30, 2022. As a result, nonfinancial assets are disaggregated and presented separately in the statement of activities. In addition, enhanced disclosures include the valuation techniques, functional classification, and any restrictions associated with these types of contributions. The amendments do not change the recognition and measurement requirements. There was no impact on the Organization's financial position and change in net assets upon adoption.

Use of Estimates

The preparation of financial statements in accordance with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Summarized Financial Information for 2021

The accompanying financial information for the year ended June 30, 2021 is presented for comparative purposes only and is not intended to represent a complete financial statement presentation.

Reclassifications

Certain amounts in the prior year financial statements were reclassified to conform with the current year presentation.

Subsequent Events

The Organization has evaluated all subsequent events through January 18, 2023, the date the financial statements were available to be issued.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Continued

Future Accounting Standard

Effective for financial statements for the year ending June 30, 2023, the Organization expects to adopt a new accounting standard issued by the Financial Accounting Standards Board (FASB) that will require significant changes in accounting for operating leases under which the Organization is lessee. Upon adoption, among other effects, the Organization will be required to record assets and liabilities for all operating lease obligations with terms of 12 months or greater.

3. AVAILABLE RESOURCES AND LIQUIDITY

The Organization regularly monitors liquidity required to meet its operating needs and other contractual commitments, while also striving to maximize the investment of its available funds. For purposes of analyzing resources available to meet general expenditures over a 12-month period, the Organization considers all expenditures related to its primary operations to be general expenditures. It excludes financial assets with donor or other restrictions limiting their use.

Financial assets available for general expenditure consist of the following at June 30, 2022 and 2021:

	<u>2022</u>	<u>2021</u>
Cash and cash equivalents	\$ 598,059	\$ 1,110,213
Contracts and pledges receivable	1,438,716	869,471
Investments	<u>3,263,247</u>	<u>3,764,220</u>
	5,300,022	5,743,904
Less amounts unavailable for general expenditure:

4. GOVERNMENT CONTRACTS AND PLEDGES RECEIVABLE

Government contracts and pledges receivable are unsecured and consist of the following at June 30, 2022 and 2021:

	<u>2022</u>	<u>2021</u>
Government contracts receivable	\$ 346,229	\$ 338,017
Pledges and grants receivable	135,368	528,623
Employee retention credit receivable	949,738	-
Other receivables	7,381	2,831
Total contracts and pledges receivable	<u>\$ 1,438,716</u>	<u>\$ 869,471</u>

All pledges and grants receivable are expected to be collected within one year.

As of June 30, 2022, a conditional multi-year pledge receivable approximating \$2.8 million, contingent on available funds, has not been recognized in the accompanying statement of activities. The pledge will be recognized as revenue upon satisfaction of the condition as follows:

For the year ending June 30, 2023	\$ 717,256
2024	849,019
2025	663,173
2026	436,864
2027	151,894
	<u>\$ 2,818,206</u>

5. INVESTMENTS

Investments are stated at fair value and are summarized as follows at June 30, 2022 and 2021:

5. INVESTMENTS, Continued

Investments are held as follows at June 30, 2022 and 2021:

	<u>2022</u>	<u>2021</u>
Investments held in endowment	\$ 1,843,264	\$ 2,164,231
Other donor restricted investments	812,617	1,109,014
Investments without donor restrictions	<u>607,366</u>	<u>490,975</u>
Total investments	<u>\$ 3,263,247</u>	<u>\$ 3,764,220</u>

Investments held at the Community Foundation of Southwest Washington (Community Foundation) are pooled with other assets managed by the Community Foundation and are invested in debt, equity, and other securities, which are reflected at fair value. Under the terms of the agreement, variance power has been granted to the Community Foundation; however, the Organization is the beneficiary of the fund and the transfer is reciprocal in nature. Accordingly, the Community Foundation recognizes the fund as a liability on its statement of financial position. Also under the terms of the agreement, the Community Foundation shall distribute not less than annually, a percentage of the fair value of the fund as determined by the board of directors of the Community Foundation. However, in no event will the percentage be less than a reasonable rate of return. The Community Foundation may make additional distributions from the fund to the Organization upon a majority vote of all of the directors of the Organization, if, in the sole judgment of the board of the Community Foundation, the requested distribution is consistent with the objectives and purposes of the Organization. The beneficial interest in assets and are included in endowment net assets (Note 10).

6. PROPERTY AND EQUIPMENT

Property and equipment consist of the following at June 30, 2022 and 2021:

	<u>2022</u>	<u>2021</u>
Land	\$ 300,000	\$ 300,000

7. NOTE PAYABLE

The unforgiven portion of the Organization's Paycheck Protection Program (PPP) loan of \$93,205 was converted to a note payable in June 2021. The loan accrues interest at 1%, with monthly payments of \$2,066 through April 2025.

Future payments, based on the loan terms, are as follows:

For the year ending June 30, 2023	\$ 24,212
2024	24,455
2025	<u>21,654</u>
	<u>\$ 70,321</u>

8. LEASE COMMITMENTS

The Organization leases office equipment under an agreement expiring March 2023, with annual monthly rent of \$1,220. Lease expense was approximately \$14,600 for each of the years ended June 30, 2022 and 2021. Approximate future minimum lease payments are \$11,000 for the year ending June 30, 2023.

The Organization holds a land lease with the Vancouver Housing Authority through June 30, 2025. Under the terms of the agreement, the Organization is restricted to using the land for the SafeChoice program. The lease agreement payment terms are \$1 per year. The estimated fair value of the rent of the property is recorded as an in-kind contribution of approximately \$108,100 for each of the years ended June 30, 2022 and 2021. See Note II.

9. NET ASSETS WITH DONOR RESTRICTIONS

Net assets with expiring restrictions, including endowment earnings, consist of the following at June 30, 2022 and 2021:

	2022	2021
Scholarships	\$ 77,628	\$ 94,588
SafeChoice/ Shelter Programs	471,564	744,432

9. NET ASSETS WITH DONOR RESTRICTIONS, Continued

Net assets with perpetual restrictions held in endowment (see Note 10) consist of the following at June 30, 2022 and 2021:

	2022	2021
Scholarship Funds	\$ 47,318	\$ 47,318
SafeChoice Shelter	618,583	730,722
Y's Care Program	1,000,000	1,000,000
Total net assets with perpetual restrictions	\$ 1,665,901	\$ 1,778,040

Investment earnings on the SafeChoice Shelter fund are added to the perpetual endowment per direction of the donor. Appropriations for expenditures from this fund are in accordance with the spending policies described in Note 10.

10. ENDOWMENT

YWCA Clark County's endowment consists solely of donor-restricted endowment funds. As required by U.S. generally accepted accounting principles (GAAP), net assets associated with endowment funds, including funds designated by the board of directors to function as an endowment, are classified and reported based on the existence or absence of donor-imposed restrictions or board designations.

Interpretation of Relevant Law

The board of directors of the Organization has interpreted Washington's Uniform Prudent Management of Institutional Funds Act (UPMIFA or the Act) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as net assets with perpetual restrictions (a) the original value of gifts donated to the perpetual endowment (b) the original value of subsequent gifts to the perpetual endowment and (c) accumulations to the perpetual endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund.

The remaining portion of the donor-restricted endowment fund that is not classified as net assets with perpetual restrictions is classified net assets with expiring restrictions until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by the Act.

YWCA CLARK COUNTY
NOTES TO FINANCIAL STATEMENTS, CONTINUED

10. ENDOWMENT, Continued

Interpretation of Relevant Law, Continued

In accordance with UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the fund
- (2) Organization and the donor-restricted endowment fund purposes
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and investment appreciation
- (6) Other resources of the Organization
- (7) The investment policies of the Organization

Return Objectives and Risk Parameters

The Organization has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets.

Strategies Employed for Achieving Objectives

To satisfy its long-term rate-of-return objectives, the Organization relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Organization targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

Spending Policy

The Organization relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Organization believes that investment and spending policy is consistent with the Organization's objective to maintain the purchasing power of the endowment assets held in perpetuity, as well as to provide additional real growth through new gifts and investment return. The Organization has adopted an annual distribution schedule of five-percent (5%) of the average fair net market value of the fund assets. The net fair market value is calculated by averaging the market value of the fund as of the end of January over the three years beginning with the most recent January period.

Balance June 30, 2022	<u>\$ 177,363</u>	<u>\$ 1,665,901</u>	<u>\$ 1,843,264</u>

11. DONATED FACILITIES, MATERIALS, AND SERVICES

The Organization received the following contributions of nonfinancial assets for the years ended June 30, 2022 and 2021:

	2022	2021
Facilities (SafeChoice program)	\$ 108,088	\$ 108,088
Services (Development)	5,728	19,428
Advertising (Development)	118	2,133
Total donated facilities, materials, and services	<u>\$ 113,934</u>	<u>\$ 129,649</u>

The Organization received the use of donated facilities for its SafeChoice program (see Note 8). Donated space is recorded at fair market value, as provided by the lessor.

The Organization received donated services and advertising in support of its development programs, which is recorded at fair market values provided by the service provider.

The Organization receives contributed services from a large number of unpaid volunteers who assist in a range of fund-raising and program activities. During the years ended June 30, 2022 and 2021, the Organization received volunteer services with an estimated value of \$52,000* and \$310,100*, respectively (*unaudited). These contributions have not been recognized in the accompanying financial statements since they do not meet the criteria for donated services described above.

12. RETIREMENT PLAN

The Organization participates in the YWCA Retirement Fund, Inc. (the Plan). This is a multiple-employer cash balance defined benefit pension plan. Each participant has a cash balance account, which is a hypothetical account to which monthly contribution and interest credits are made. Contributions of a specific percentage of gross compensation are made by participating employers on behalf of eligible plan participants. Besides contributions and credits, other components of a participant’s account consist of Fund matching contributions and Optional Employee After Tax contributions, only if the employee qualifies and chooses them. The optional after-tax contribution rate is currently limited to ten percent of gross compensation. The Fund is governed by a written plan document (copies available upon request), constitution, and by-laws. The Fund is subject to the provisions of the Employee Retirement Income Security Act (ERISA) of 1974, as amended, and is qualified under Section 401 (a) of the Internal Revenue Code.

Accordingly, this Fund includes numerous YWCA Associations. The Agency’s annual contribution under the Fund is equal to 3% of the annual compensation. Eligible employees may make additional after-tax contributions up to 10% of their annual compensation. The Agency has received notification from the Fund Administrator the Fund has achieved “funding target attainment percentage” (fully funded) for each of the preceding two calendar years.

A summary of plan assets and liabilities is as follows:

Valuation date	January 1, 2021	January 1, 2020
Net plan assets	\$ 380,053,807	\$ 380,691,314
Plan liabilities	273,611,236	289,429,879
Funding target attainment percent	138.9%	131.5%

The Organization contributed approximately \$38,800 and \$51,200 to the Plan for the years ended June 30, 2022 and 2021, respectively.

13. CONTINGENCY

Amounts received or receivable from various contracting agencies are subject to audit and potential adjustment by the contracting agencies. Any disallowed claims, including amounts already collected, would become a liability of the Organization if so determined in the future. Management believes that no significant amounts received or receivable will be required to be returned in the future.

YWCA CLARK COUNTY
NOTES TO FINANCIAL STATEMENTS, CONTINUED
June 30, 2022

14. CONCENTRATIONS OF CREDIT RISK

The Organization maintains its cash balances in one financial institution located in Vancouver. The balances in each financial institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. The balances, at times, may exceed the federally insured limit. Balances in excess of insured limits were approximately \$271,300 and \$797,800 as of June 30, 2022 and 2021, respectively.

Approximately 86% of the balance of contracts and pledges receivables at June 30, 2022 is receivable from two governmental entities (50% from two governmental entities and one non-profit organization at June 30, 2021). Revenue is concentrated with 83% of total revenue from four governmental entities for the year ended June 30, 2022 (61% from two governmental entities for the year ended June 30, 2021).

Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of financial position.

15. FAIR VALUE MEASUREMENTS

Assets recorded at fair value in the statements of financial position are categorized based upon the level of judgment associated with the inputs used to measure their fair value. Level inputs are defined as follows:

Level 1: Unadjusted quoted prices in active markets for identical assets and liabilities.

Level 2: Observable inputs other than those included in Level 1, such as quoted market prices for similar assets or liabilities in active markets, or quoted market prices for identical assets or liabilities in inactive markets.

Level 3: Unobservable inputs reflecting management's own assumptions about the inputs used in pricing the asset or liability. Level 3 assets and liabilities include financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair values requires significant management judgment or estimation.

16. DISCONTINUED PROGRAM

The Organization reached an agreement with the State of Washington, effective October 2021, to transfer the Court Appointed Special Advocate (CASA) program back to the Clark County court system and will no longer be administered by the Organization. The Organization will continue to devote its time and resources to programs that are critical to the Clark County Community and to increase their mission-aligned collaborations.

REPORTS REQUIRED BY *GOVERNMENT AUDITING STANDARDS*
AND THE UNIFORM GUIDANCE

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors
YWCA Clark County

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of YWCA Clark County (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated January 18, 2023.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered YWCA Clark County's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of YWCA Clark County's internal control. Accordingly, we do not express an opinion on the effectiveness of the YWCA Clark County's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the organization's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether YWCA Clark County's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE
FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER
COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors
YWCA Clark County

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited YWCA Clark County's compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of YWCA Clark County's major federal programs for the year ended June 30, 2022. YWCA Clark County's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, YWCA Clark County complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2022.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the *Auditor's Responsibilities for the Audit of Compliance* section of our report.

We are required to be independent of YWCA Clark County and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of YWCA Clark County's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to YWCA Clark County's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on YWCA Clark County's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about YWCA Clark County's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding YWCA Clark County's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of YWCA Clark County's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of YWCA Clark County's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the *Auditor's Responsibilities for the Audit of Compliance* section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

YWCA OF CLARK COUNTY
NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
For the year ended June 30, 2022

1. BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (the schedule) includes all federal grant activity of YWCA Clark County under programs of the federal government for the year ended June 30, 2022. The information in this schedule is presented in accordance with the requirements of the Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the schedule presents only a selected portion of the operations of YWCA Clark County, it is not intended to and does not present the financial position, changes in net assets or cash flows of YWCA Clark County.

2. EXPENDITURES

Expenditures reported on the schedule are reported on the accrual basis of accounting. Such expenditures are recognized following cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. YWCA Clark County has not elected to use the 10 percent de minimis indirect cost rate as allowed under the Uniform Guidance.

Total expenditures of federal awards	\$ 1,488,714
Non-federal expenditures	<u>3,264,266</u>
Total expenditures per financial statements	<u><u>\$ 4,752,980</u></u>
